Dear Prayer Partners,

February 29, 2020

Greetings from Florida. We started off the year in Arizona where we quickly discovered "Where is Elmer Fudd when you need him?". Yes, we too had an encounter with a pesky wabbit and I think it was one of Bugs Bunny's relatives. While giving a report at several of our churches in Arizona we had a rabbit climb up into the engine compartment of the van and begin to treat one of the wire pigtails like it was a carrot. He chewed through the wire breaking the contact of the wire that goes to the brake master cylinder sensor switch thus the brake light on the dash panel remains on at all times. A little inconvenient but workable. Thankfully this is the worst of our car problems to date. I guess the devil must have been mad at us and was trying to get even for the soul we had saved a few weeks earlier in Junior Church. So far, we have been able to be in several new churches in the Midwest but no new support as of yet. We would ask that you pray that the Lord will touch hearts to take us on for much needed support before returning to the field.

February led us to a Round Robin Missions Conference in Western Kansas. We were able to meet some new pastors and have great fellowship with their people. We were also able to spend some time with some former fellow missionaries and talk about old times going back more than 30 years. What a blessing that was. After taking care of some document work in Kansas we continued onto Texas for a week before heading off to Louisiana and Florida. After three days of constant rain we were thinking that we might need to trade the van for a boat to get to where we were going, not to mention cooler than normal weather. Finally, the sun came out and the temperature returned to normal and we will be spending the next few weeks here in Florida before heading north to New York, New Jersey, Pennsylvania, Michigan and Ohio. We are anxious to finish up this June and head back to Brazil the end of July.

Finally, please continue praying for Irmão Alexandre and his family. They are once again be taking care of the church in our absence. The people at the church love Alexandre and his family since he has also taken care of the church for us on previous furloughs.

Once again, thank you for your faithfulness in supporting us financially and/or prayerfully through the years. The churches in Jardim Varginha and Vargem Grande are here today because you prayed and invested in God's work. Please continue to pray with us that we will continue to see an even greater Harvest of souls for the honor and glory of our Lord Jesus Christ in 2020.

Thankfully Received

All Because of JESUS,
