In Mexico since 1971

April 2020

We are going to stay in contact with you our supporters, even though everybody is in lock down. I have been in contact with pastor Gonzales on a daily basis. As of this letter, no one in our ministry has the virus. All of our churches are using one form of the internet or another, for church services.

Manuel and Tina are sending about two thousand communications a month.

The Texas border has been in lock down. Our Mexican Christians cannot come stateside, and I'm not sure that I can get into Mexico at this time. We are having extreme difficulty getting supplies to the children's home. We can buy some of the supplies in Mexico, but the quality is not always the same. The cereal is stale, and the milk spoils by the second day.

As Christians we are not survivors, we are overcomers. I heard an excellent message this morning, on Isiah 41 verses 10-13.

If you prefer this letter by e-mail instead of surface mail let us know. Please feel free to call, write, e-mail or text.

As always thank you for your prayers, support, and confidence.
