Vacation Bible School, one of the highlights of our ministry every year! I was totally amazed and thrilled to see how hard the churches in Costa Rica worked together to have a successful virtual Vacation Bible School this year in spite of the restraints due to Covid. They preregistered the children then made and delivered packets to each child so they could participate in all the lessons, activities and all the memory verse memorizations. They still earned "VBS dollars" to spend in the "Store" which Marielos used her camera to show them all the options they had to choose from. Marielos, Doris and the rest of the workers spent weeks getting everything ready. Six children came to know Jesus as their Savior! I was so excited and blessed to be able to watch the kids on video say their memory verses. God is still in control and blessing His work.

The Ciudad Colón church finally found a great location to rent but the health department denied their approval because of some problems with the building. But, thankfully they were able to find a centrally located building to rent for two hours on Sundays. Although this isn't exactly what the church was looking for, it at least gives them a place to finally meet in person. This past Sunday they had to turn four people away because they only have space for 40 people because of government restrictions. But it was such a blessing for one faithful family to be able to dedicate sweet little baby Saúl to the Lord after waiting so long. Praise the Lord! Please continue to pray for the Ciudad Colón church that they will be able to find a permanent place to rent or even better, a place to purchase.

In March I had a total right knee replacement. Surgery went well and I am recovering nicely. Therapy has been tough but has really helped me get good mobility back in my knee. I will one day have to have my left knee replaced but hopefully not for a little while.

Thank you for keeping my family and me in your prayers. It's been a year in March since we lost Randy but God has been so good to us. He has carried us through and blessed us in so many ways. We are still planning on making a trip back to Costa Rica for a memorial service for Randy. Please keep these plans in your prayers.

God bless you.
