Dear Pastor and praying friends:

In my last letter I had asked you to pray for 4 request, here are the answers to those prayers.

1. June 4th and 5th the Baptist Bible Training Center hosted the Wau/Bulolo district Baptist Women's Conference. God used each speaker to encourage over 350 registered ladies but the attendance swelled over 500. There were 12 ladies that responded for salvation. Many ladies made personal commitments to the Lord. It was a great spirit of cooperation and a willingness to be taught. God has answered your prayers in a wonderful way.

2. Mrs. Verda wrenched her back. Verda was able to teach and minister to the ladies and was not in immense pain. She now has full mobility and is pain free.

3. I preached a revival at a village named Wakop. It was a challenge just getting there. A 4-hour drive to Lae, a three-hour banana boat ride, 2-hour walk through marsh to arrive at the village. God did a great work in peoples lives. There were 5 saved and 3 new believers baptized. It was great to see three of our graduates serving the Lord.

4. Our last prayer request was for our trip to Buin, Bougainville. It was a fun time being with family and seeing the most beautiful reefs in the world. We also ministered to the believers of Buin Baptist Church. It is exciting to see the zeal of these new believers and a desire to be taught God's Word. Our last Sunday there Missionary Kenny had invited two other churches, who have no pastor, to join us for a combined church service. One group left at 5 am to be on time for this event. God moved in a very special way. Believers were encouraged and two people received Christ.

James 5:16**The effectual fervent prayer of a righteous man availeth much.** Thank you for taking time to pray. It does make a difference.

Please pray for these upcoming events:

1. I will be preaching a missions conference for Bible Baptist Church #6 – August 25-27th Please pray God will call men into the ministry.
2. I will be preaching a Baptist History Conference at Bulolo Baptist Church and the conclusion will be a building dedication. September 8th -12th . Please pray for Pastor Tivit and this meeting that souls will be saved and Christians will be committed to serving our Lord.
3. The church plant at Kwimbu that God will give a Pastor to this church.
