

Pastor,

Happy LORD'S Day!

After over 10 weeks of Covid restrictions we are so blessed to be able to meet again! Most of our folks were so excited to be together this LORD'S Day!

We are so very blessed to report that this LORD'S Day at the Tandz Bible Baptist Church, three precious souls were saved and one young man followed our LORD in believer's baptism!! Thank so much for praying for the work of GOD to continue to go forward in the churches here!

Please pray for a young Filipino man named Donald to accept Christ as his Saviour. I was blessed to witness to him on Saturday morning.

Taiwan still has some Covid restrictions in place. We are limited to under 50 people meeting inside. We still have to wear facemasks whether inside (unless you are in your home with your own family) or outside. There is still social distancing of 1.5 meters. Which means the seating has to be spaced out. Buffet style meals are not allowed. While sitting inside for a meal there needs to be dividing boards to separate you from those sitting at the same table. Please pray that these restrictions may be completely lifted soon.

The government is discouraging people from meeting together, so there are some church folks who have unsaved family members that don't want them going to church. Yet, it's okay for them to go to work or to the market. Please pray for our church folks to be a faithful witness for our LORD!

Thank you for praying for us and for supporting us to serve our LORD GOD as missionaries to the people in Taiwan!
