In Mexico since 1971

August 2021

VBS, at Lighthouse Baptist Acuna, Mexico was a success. We ran for three days, had a total of 75 in attendance and 17 professions of faith. We were the only church in our entire area that held VBS. I am not sure that any of them know how to have a VBS.

On The first Sunday of August, we had 20 in attendance with two adult women saved.

We canceled VBS in Nueva Laredo, Mexico. We have no building; we would have had to meet in someone's yard. N. Laredo is known for drive-by shootings.

School starts August 23, 2021. We are busy with buying school supplies, and clothes. It has been a year and a half since our kids were in school.

Thank you for your prayers and offerings that helps us do the Lords work.

Thank you,

Dr. Royce Vick
