Dear Pastor House & Corridor Baptist Church,

PRAISE

1. Nancy and I have returned to Romania after our longest furlough (because of Covid). We are glad to see our brothers and sisters in Christ who did very well on their own while we were gone. I had communicated with them every week to see how things were but it is of course not the same as seeing each other. To make a long story short, things went very well in our absence!
2. I was most impressed with the young family that took our place. He did almost all the preaching and works a full-time job of his own. He also fixed some things in the building while we were gone and did a great job. He was saved in our church almost 30 years ago in our Sunday school class. Later he met his wife in our summer camp for teens. He graduated from our Bible institute and was married here in our church, and I believe he could be the pastor here in our main work. Thank the Lord! It was good to see how God worked while we labored here all those years.
3. One of the churches we started over 25 years ago started a new work about a year ago, and while I was gone five adults were baptized from this new work!

PRAYER

1. Pray for all in our churches and preaching outlets to see whatever God has for them, make any changes necessary, and enjoy their Christian lives.

Brothers and sisters in Christ, thank you for your faithful support, prayers and Christian love for Nancy and I and for God’s work! It is a great encouragement to us and many others!

Your missionaries Garry & Nancy Matheny
