In Mexico since 1971

September 2021

On September 5th lighthouse Baptist Acuna Mexico, had their first baptism. One adult, and one preteen.

From an offering sent by one of our supporting churches we were able to build the stairs. Our next project is to build vertical support columns on the second floor. This will take about \$2500.00. We will do this \$500.00 at a time.

Thank you four your prayers, financial support and confidence in our ministry

Thank you,

Dr. Royce Vick
