November 2021

Meet pastor Manuel, and pastor Manuel. Manuel Gonzalez (on left) is pastor of Light House Baptist Church Acuna. Jose Manuel (on right) is one of our mission pastors. He and his wife have been working with an Indian tribe deep in the mountains of southwest Mexico.

Jose Manuel is a block layer and he is going to work with pastor Gonzalez on our second floor. We have exhausted funds and are ready to start the next \$500.00 project.

On December 4, 5, and 6 four of our mission pastors are coming to Acuna for a three-day revival meeting. Please pray for this meeting. I will keep you informed.

Today, Nov 7 we had so many people in church that some of them had to sit outside. There were 6 professions of faith.

The church is in bad need of a van. Please pray with us that God will supply one. We have begun receiving Christmas offerings. Thank you so much for your generous gifts.
